There was covering of shorts, who have expected a reaction, which has falled to appear to any extent thus far, because of the large absorption of seuritles by the public.

There was pronounced strength in the Grangers, Rock Island crossing ill by a handsome fraction, while St. Paul ruled around 118, and Quincy around 123. The movement in these and other standard dividend-paying stocks had a healthful influence elsewhere, and bull leaders were successful in stimulating the movement. The rumors of favorable developments ded some hitherto neglected issues. Minneapolis and St. Louis second pre-ferred sold at the highest price since the property was reorganized,

Private sales reported to-day were light. The warehouses received and delivered few hogsheads to-day also.

Sales of new dark loose tobacco on the Richmond breaks to-day were as follows: Cronshaw's Warehouse, 8,100 pounds-highest price, 88; Shockoe Warehouse, 18,940 pounds-highest price, 815. Total number of pounds sold during the day, 28,040-highest price, 815.

Messrs, John F. Jacob & Co. have this to say of the market for the week; Dark (old)—Receipts and offerings continue very light; market quiet. New-Receipts liberal; dark stemming tobaccos high, and in good, active demand; other grades less active; damaged and common stock has to be sold at low prices. Brights—Quiet at unchanged quotations. Sun-Cured (new)—Receipts very light; market continues active for good to prime stock; common and inferior lugs low.
